INVITATION FOR EXPRESSION OF INTEREST

Public Private Partnership proposal for Skills Development

The National Training Bureau an attached Department of the Ministry of Labour and Manpower established in 1976 is responsible to manage, regulate, revamp, strengthen and promote Technical and Vocational Training in the country in coordination with the Provincial Governments and they are designed and managed considering the demands of skilled manpower both nationally and internationally. Its campus situated in sector H-9, Islamabad can house additional vocational training programs supported by its hostel accommodation. The unutilized/under-unutilized infrastructure available in all the four provinces will also be considered for setting up training facilities.

The National Training Bureau seeks from reputed and well established Investor/Partner Company/Consortium of Companies, for proposal's to develop new and to leverage the existing vocational training infrastructure on the following lines:-

- (i) Propose a joint venture arrangement whereby the most needed skills both nationally and internationally are offered with the designed curricula and training manual which is recognized internationally or at least in the country of emigration workforce.
- (ii) Setting up skill standards to meet the global demand, preparation of instructional/training manuals for training of trainers/instructional staff considering gender equality.

- (iii) Accreditation of certification from internationally reputed institutes.
- (iv) Up-gradation and renovation of existing infrastructure, training workshops, hostel accommodation.
- (v) Development of new training workshops for innovative trades and upcoming technologies.
- (vi) Training of women trainers/trainees in non-traditional trades.
- (vii) Provide vocational guidance, carrier counselling, and job placement services.
- (viii) Ensure quality training on international standards and absorption of pass outs in national and international employment markets.

Interested parties may submit their detailed proposal's outlining the business plan including financial structure within 30 days from the date of this advertisement. Please contact Director General, National Training Bureau for further clarification if any:
