As the summer has already set in, warm clothings or woollen blankets are not required.

It also needs to be mentioned that while the consignee will make arrangements for customs clearance etc. at both Islamabad (for air cargo) or Karachi (for sea shipment), freight from the place of origin and destination will be borne by the consignor.

The Government of Pakistan has recently announced a special cash grant of Rs.25,000/- to be released immediately to per dislocated family (total around 250,000). To facilitate this package, it is requested that our community in the UK intensifies its efforts to contribute to the Prime Minister's Relief Fund as announced by the High Commissioner in his appeal to the community.

The Provincial Government of NWFP has also launched a website on DPs which can be visited at www.helpidp.org. The website will enable the members of the Pakistani community in the UK to receive regular updates on the ongoing situation of the DPs of Swat/Malakand Division.
