A valid NICOP or POC (both 5-10 Years Validity) issued by NADRA is a Visa for Overseas Pakistanis (5-10 years). If you are a dual Pakistani National you are entitled to have a NICOP (National Identity Card for Overseas Pakistanis). If you presently hold nationality of another country but are of Pakistani origin or born to parents of Pakistani origin or married to a Pakistani National, you are entitled to have a POC (Pakistan Origin Card).

Overseas Pakistanis who are traveling to Pakistan and have their NICOP or POC expired can get a Renewal Slip from any NADRA Overseas Office and travel. However, if you do not have a Renewal Slip and have arrived at a Pakistani Airport, don't worry! Just request the FIA Immigration Officers at Arrivals for a Landing Permit.

Similarly, Overseas Pakistanis who are traveling from Pakistan and have their Visas / NICOP or POC expired can get a Renewal Slip from NADRA kiosks established near Immigration areas, show it to the Immigration Officer and exit without the need for paying any visa-overstay charges.

Remember! You may be required to show an expired NICOP / POC / Pakistani Passport; or prove Pakistani origin through CNIC, Birth Certificate with CNIC of parents or Marriage Certificate with CNIC of spouse.
